Welcome aboard:

We are pleased to have you as a member of our D.O.A. Team. It is with your input and the fact that you are using our D.O.A. Lures that has made us the success that we are today. We know our lures catch all species of fish, what we are looking for from you is to educate your clients to the fact that it is not necessary to have live bait on their boat to catch fish. We will be glade to help you in any way to promote our D.O.A. Lures and your guide business. Don't hesitate to call us with any comments or suggestions. When you are in need of lures call, fax or email us with an order and give us your credit card # and the lures will be on their way.

Thank you for your help.

Jerry Rosen for D.O.A. Lures.
